“The most important thing SCDS gave me was a lifelong love of learning. SCDS had a more profound influence on my life than any other single experience, and I credit much of my professional success in adult life to the time I spent there.” —SCDS Alumnus

Unlike auction, annual fund, and tuition revenue raised—and spent—each year, **The SCDS Infinity Fund Endowment** principal is protected and invested. The interest from the endowment provides a permanent, stable, and reliable revenue stream ensuring the school’s core mission in challenging times and allowing for long-range planning.

PROPELLING TOMORROW’S  
**PROBLEM-SOLVERS**  
**FORWARD**  
**K THROUGH LIFE**

Since 1964, Seattle Country Day School has served as a beacon for students whose ability, passion, and curiosity compel them to question and experiment. Through a nationally renowned inquiry-based curriculum, gifted educators provide the guidance and tools for students to navigate the world.

**The Infinity Fund Endowment** plays a critical role ensuring a lasting investment is made to advance SCDS’s mission to the next level of gifted education. Revenue from The Infinity Fund provides support in three foundational areas ensuring seeds are planted for current—and future—generations of problem-solvers to grow.
