PROTECTING A THRIVING FUTURE

“The older I grow, the more I realize the value of the intellectual, social, and emotional foundations SCDS cultivated within me. SCDS taught me what I needed to know to not only succeed, but to thrive in high school, college, and beyond.” —SCDS Alumnus

## FUNDING THE FOUNDATION

Since 1964, Seattle Country Day School has served as a beacon for students whose ability, passion, and curiosity compel them to question and experiment. Through a nationally renowned, inquiry-based curriculum, gifted educators provide the inspiration, guidance, and tools for students to navigate the world and make a meaningful impact.

## WHY GIVE TO THE ENDOWMENT TODAY?

Prior to the spring of 2020, the school never could have anticipated that remote learning would become the new reality. As we continue to navigate unprecedented times as a community, SCDS’s endowment plays a crucial role in protecting a thriving future for the next generation of gifted students. Your gift will ensure that regardless of what tomorrow brings, SCDS can continue to provide resources in three core areas:

### FINANCIAL AID

Providing need-based awards to serve as many mission-appropriate students as possible

### TEACHER EXCELLENCE

Recruiting, training, and retaining the finest gifted educators in the Pacific Northwest

### PROGRAM ADVANCEMENT

Funding initiatives in inquiry education, Social and Emotional Learning (SEL), and whole child development

## THE INFINITY FUND ENDOWMENT

Unlike auction, annual fund, and tuition revenues which are used to meet current and short-term needs, **The SCDS Infinity Fund Endowment** principal is protected and invested. It is used to support the school’s core mission in challenging times and allows for long-range planning.
